To Whom It May Concern

We're afraid that you're spending unexpected days in this horrible situation with the spread of COVID-19.

Nippon Badminton Association and Japan Ladies Badminton Federation have decided to cancel "YONEX Cup International Friendship Ladies Badminton Tournament 2020" due to the state of emergency declaration by Japanese government.

It's very disappointing, but we think protecting health and keeping safe of all the participants and all involved are the most important things.

We apologize for the inconvenience to prospective participants, all the affiliates and all the companies. We'd like to thank you for your understanding and cooperation.

We, Osaka Ladies Badminton Federation will prepare that next year's tournament could regain energy.

We hope this worldwide disaster is coming to an end as soon as possible and a lot of participants will come back to join our tournament with a smile next year,

Sincerely yours,

Sonoko Hirose
